

"I literally do not have the words to describe how deeply affected and moved I am by your beautiful voice, music, and songs. I've been suffering from a pretty bad bout of anxiety, grief, doubt, and fear as of late. It's been pretty debilitating and listening to your album has been a very cathartic, cleansing, and healing experience for me. You are truly a healer and bearer of light. Thank you for sharing your beautiful gifts with the world." – Tanya
